Hi George,

I hope you and your family had a wonderful Christmas! I understand that you'll be at the office today and tomorrow. I'm at home catching up on some work and I'm forwarding these additional materials that ERG has prepared to supplement what they have submitted so far as documenting their minor AE appliaiton. We also discussed these last week. They will be sending some hard copy maps to you as well. Please let me know if you have any questions. Thanks.

Jerry

Subject: Aquifer Exemption Supplemental Package

Hi Jerry:

Here is the aquifer exemption information you requested on 12/21/12. Please note that, while the hard copies of the drawings will be coming via FEDX on Thursday, the drawings in PDF should provide the detail you need to review the updated information. We have also included the project description in Word format.

Could you please send me George Robin's physical address so that we can overnight the drawings to him also? Thanks

John M. Deacon
